

Suchdol nad Odrou, 23rd January 2012

We kindly invite you to

VI. International Moravian Conference

From 19 to 21 October 2012 in Suchdol nad Odrou

With the main theme:

Moravian brothers in polar regions.

We would like to reach out and invite historians, scholars, students wishing to present their works.

In a series of lectures and papers, new knowledge will be published also about another twenty Moravian brothers at their anniversary, who left this region in the early 18th century to restore the Brethren unity in Herrnhut and thus made an indelible mark in the history of our country. We want to bring their lives closer to the public. A list of these Moravians can be seen at www.moravian.cz.

We welcome presentations and researchers contributions on related issues, which would multiply knowledge about the time of the Reformation and Counter-Reformation.

Moravian The National History Association in Suchdol nad Odrou is preparing an interesting program for these days and an exposition of the Moravians' missionary work will be open in the Museum of the Moravian Brethren.

Applicants wishing to present their papers on the Moravians are kindly asked to register their contributions in advance or to consult them by mailing to daniel.rican@quick.cz. Information of the conference will be published on www.moravian.cz.

We warmly welcome you and look forward to your cooperation.
